

HOST RAP SHEET

July 10 – 16, 2026

This week's recognition goes to all the Host that helped with the 4th of July Parade. Thank you for making it another fun and successful year!

Mammoth Way Hot Topic – Be Professional

As team members, you are almost always more experienced than many of our guests. Use Field Guide and the Mammoth Mountain website to learn more solutions and opportunities to share experiences for all our guests.

Answer the following to enter the Rap Sheet drawing. Send an answer, via e-mail, to host@mammothresorts.com, explaining about the kids get golf ready program. Use [Kids get golf ready | Mammoth Mountain](#) to find the answer. Enter for a chance to win \$10 Mammoth Bucks. Tony de Paolo is this week's winner!

Safety Corner – Hot Topics for Host Safety

Driving Tips

- Do not leave food or scented items in cars. Bears will break in, destroy everything, and leave you without a window all for a stick of gum or a tube of toothpaste.
- Seatbelts are required. Full stop. No exceptions.
- Ensure anything in the bed of a truck is properly secured.
- Watch speed. 29% of all vehicle fatalities are due to excessive speed.
- Animals are not great judges of when to cross the road. Be prepared for them to make the wrong choice.
- Visitors are not only trying to take in the beauty of our delightful town but also attempting to navigate in a new environment. Give them the same grace you would like someone to give you in a new place.
- If you drive in any company vehicle, EVERYONE knows where you work. Be a good ambassador for the company.
